Concurrent Enrollment Form

**When to Use:** This form is for students who are taking courses at a supplemental school that apply to their ASU degree programs, and who wish to use VA educational benefits for those courses. This requires the approval of an ASU academic advisor to ensure that classes taken at the secondary school will apply to the student’s ASU degree program. Once the student and advisor sections of the form have been completed, submit the form to PTVCforms@asu.edu, and an ASU School Certifying Official will complete the form and send a copy to the supplemental school, as specified by the student.
