

### Dual Program/Objective Approval Request

Student Name \_\_\_\_\_

ASU Student ID # \_\_\_\_\_

**When to use:** Students using VA educational benefits are generally approved for only one program of study at a time. However, exceptions can be made for students pursuing two programs at the same school if they can provide reasonable justification that both programs apply to a single career field. The dual objective may include two majors, a major and minor, two degrees, two certificates, or two programs on different professional/technical levels. Students need to provide the justification and academic advisors need to agree with their rationale. The form is then forwarded by the student or advisor to the Pat Tillman Veterans Center for final approval from a School Certifying Official.
