PORTraits of COURAGE

This exhibit brings together sixty-six full-color portraits and a four-panel mural painted by President George W. Bush of 98 service members and veterans who have served our nation with honor since 9/11. Each featured painting is accompanied by the inspiring story of the warrior depicted. As the stories unfold, visitors will encounter the faces and the hearts of those who answered the nation's call and learn of their bravery on the battlefield, their journey to recovery, and the continued leadership and contribution they make as civilians.
