## Helpful tips

- Regularly check My ASU for any **Priority Tasks** you need to complete.
- Only enroll in courses that are approved and in your program of study.
- Early submission of your Enrollment Activity Form is preferable, but remember that enrollment changes cause delays — be sure your class schedule is finalized prior to submitting your EAF.
- Revise your EAF whenever you or your college adds or changes courses in your schedule.

**“The Pat Tillman Veterans Center didn’t hesitate to show me how to extend my benefits. I’m really happy I stopped in to talk to them.”**
