2020-2021 Yellow Ribbon Program Application – Campus Based Programs

The Yellow Ribbon program allows institutions of higher learning (degree granting institutions) in the United States to voluntarily enter into an agreement with VA to partially or fully fund tuition and fee expenses that exceed the established thresholds under the Post-9/11 GI Bill®. Only veterans (or dependents under Transfer of Entitlement) using the Post-9/11 GI Bill® at the 100% benefit level qualify. For ASU Online students, this program is being managed separately, and this application is not applicable. Yellow Ribbon is designed to help cover the difference between resident and nonresident tuition, but it may not entirely do so. Yellow Ribbon cannot be applied towards fees that are not mandatory, such as housing, tuition and fees for study abroad in excess of maximum in-state tuition and fees (unless the study abroad course is a requirement for the degree program), and penalty fees (such as late registration, return check fees, and parking fines). These fees are not payable under the Yellow Ribbon Program or under the Post-9/11 GI Bill®. ASU and the VA will make equal contributions toward the program on behalf of the individual in the form of a grant or scholarship, with the total not to exceed $18,840.00 during the 2020-2021 academic year ($19,680.00 for graduate students).

For the 2020-2021 academic year, ASU is funding up to 90 undergraduate and 3 graduate students enrolled in campus-based, degree seeking programs on a first-come, first-served basis, regardless of the rate at which the individual is pursuing training. Active duty members or spouses thereof are not eligible for this program. However, recently enacted laws may allow dependents to qualify for resident tuition, eliminating the need for Yellow Ribbon.
